- 1. I am an attorney at law, licensed to practice before this court and am counsel for defendant OMAR NAVARRO in the above referenced matter. Except as otherwise set forth on information and belief I have personal knowledge of the following and, if called as a witness, could and would competently testify thereto.
- 2. As described in the attached minute order of the November 23, 2023, Detention Hearing Mr. Navarro was released on bond (\$100,000 unsecured), with the condition: "Location Monitoring technology at the discretion of the Supervising Agency."
- 3. Mr. Cameron Pitcher, the pretrial officer responsible for supervision of Mr. Navarro, recommends that any requirement that Mr. Navarro be subject to electronic monitoring be vacated. (Mr. Pitcher believes that the language of his bond, allowing pretrial services to determine the nature of electronic monitoring to which Mr. Navarro is subject, implicitly requires that he be on electronic monitoring.)
- 4. This application is brought at the request of Pretrial Services. Because Mr. Navarro has over a period of 18 months consistently complied with all instructions issued by pretrial services, Pretrial Officer Pitcher believes that electronic monitoring is unnecessary and recommends that any such condition be vacated.
- 5. I have spoken with Asst US Atty Frances Lewis, and she takes no position with regard to this application.
- 6. Based on the foregoing, I believe the Court should issue its order modifying the terms of the bond, vacating any requirement that Defendant be on electronic monitoring as a condition of his bond.
